

Illowa Soccer : U09-U19 Scheduling Process

This season, Illowa will have self-scheduling for U09-U19 divisions. This means that teams will choose opponents, dates, times, and locations for all their games! Please see the details below regarding the scheduling meeting and send any questions to Landon Neumann, Illowa Scheduler (scheduler@illowa.org) for follow up.

When:

U09-U10: Sunday July 29th, 10:30 AM - 12:30 PM
U11-U12: Sunday July 29th, 1:00 PM - 3:00 PM
U13-U19: Sunday July 29th, 3:30 PM - 5:30 PM

Where:

The Rock
302 1st Street, Coal Valley, IL 61240

Who should come:

Every U09-U18 team must have a representative present at their respective meetings. No individual will be allowed to represent more than one team at a meeting. Coaches or managers who work with more than one team in these brackets or who cannot attend this meeting must bring or send designated representatives. Teams may be represented by more than one individual. Teams who do not send a representative will not have any games scheduled for this season.

How to prepare:

Register: Teams should register during the normal registration period. Provide all the regular information: contact information, bracket designation, etc.

Download Your Scheduling Packet: After registration closes, Illowa will post a packet of information that you can download and use for planning your schedule. The packet will include:

Scheduling Worksheets: These worksheets will be used during the scheduling meeting. This is where you will record the teams, date, time, and location of the games you coordinate with your opponents.

Field availabilities: A list of field locations available for this season.

Team List: To see a list of teams in your division, check the list of registered teams on the Illowa website. Select the Member Clubs/Field Locations menu, then Registered Teams, or use this link to go straight there: [Registered Teams](#)

Plan Ahead: Use the information provided in this scheduling packet to identify teams, dates, times, and locations you want to play. This will speed up the scheduling process during the meeting. Consider whether your team will be playing tournaments, looking for double headers, specific dates, specific locations, etc. Make sure to gather information from your team regarding events like Prom, Graduation, etc so you can avoid these conflicts when scheduling.

What to bring:

This Scheduling Packet: Please bring your scheduling packet for use during the meeting. You will be using the scheduling worksheets to submit games to the schedule during the meeting.

What will happen at the meeting:

Meeting Registration: When you arrive, sign in to let us know your team has a representative.

Find your table: Each division will have their own table in the conference room. This is where your team representative will work with the other teams in your division to decide on pairings, dates, times, and locations.

Introduction: After registration, a brief introduction will be presented to describe the scheduling process.

Scheduling: After the introduction, scheduling will begin and continue until all games have been scheduled. The scheduling process includes the following:

Teams will work at their tables to agree on individual game pairings, dates, times, and locations. Available fields will be projected on the wall, and will be updated as games are added to the schedule. When you agree on the details for a game, fill out a game on your scheduling worksheet and have both team representatives sign it.

An Illowa representative will walk around the room and call team names based on the randomized team scheduling order. When your team is called, take a game slip to the scheduling table to be entered into the schedule. As long as there are no critical conflicts (like the selected field is unavailable, etc), your game will be added to the schedule.

Once all teams have submitted their first game slip, the order will begin again and you can submit your next game.

Once all your games are scheduled, you can check them on the final schedule via the Illowa Mobile Schedule Page. This link will be posted to the Illowa website prior to the start of the scheduling meeting.

At the end of the meeting, all scheduled games are final, and the final schedule will be posted to the Illowa website.

Paying Fees:

Teams will be charged per game based on the outcome of this meeting. The fee structure for this season can be found on the Illowa home page. Please wait until after the scheduling meeting to pay your season fees.

U09-U10 Field Availability for Fall 2018

This chart shows dates and times when fields are available for Illowa games
 Games cannot be scheduled in the blank time slots
